LOCUM is when there is no other to prison. Option. It's going to cum

stealing out of you. IT was there aalla along. Maybe to the side. There is no avoiding. You can't hold it in. It's going to feel so good when it goes. Does.

It's a wet ream only better. It's having to take shit and t not in your pants. on the floor down the stairs. Shutting. Shit. I it had to happen out and. It's that

feeling. When your [YOUre not sure. But it happens again and again.

You get used to it. It hurt so good. It's high tide and low

tide. Getting hi feeling lo. Locum is law and order on tv at the

hotel. On every TV. It's that feeling of disco is but it was there all

along. It's a murky Madurai mural ASTURBATION . It's a

peeling off you. It's new world order. It's when you

think you cracked your head open and discover Canada. It was always

there you got it confused with Connecticut Nita downs t does it

even matter. The child nenes a needs. A helping hand. Take. Along at

you and me. Locum. Watching the words in tune LOCUM with me

Heart - and mind - and soil collided.
